

CAPE MAY COUNTY HAZARD MITIGATION PLAN UPDATE

Cape May County is updating its Hazard Mitigation Plan (HMP). The HMP will analyze the hazards faced by the county and its municipalities, residents, and businesses, and will identify a strategy for minimizing vulnerability to these hazards. Information regarding the Hazard Mitigation Plan planning process can be found here: <https://www.capemaycounty2020hmp.com/>.

We encourage everyone who lives or works in Cape May County to provide input into the planning process. We have developed a survey to assist in providing the public an outlet to contribute to the Cape May County HMP update. This survey will be used to develop portions of the HMP.

The survey can be found here: <http://www.surveymonkey.com/r/CMC2020HMP>

Thank you for your participation in this planning effort.

Martin L. Pagliughi

Director

Office of Emergency Management
